## PROFESSIONAL SUMMARY

Motivated Computer Engineering student with hands-on experience building responsive and interactive web interfaces using HTML, CSS, and JavaScript. Skilled in frontend development, UI design, and creating visually consistent user experiences. Experienced in team leadership and creative design through involvement with DDSC Club. Eager to contribute to real-world projects and grow as an Associate Frontend Developer.

## TECHNICAL SKILLS

**Frontend Development:** HTML5, CSS3, JavaScript (Basic), Responsive Web Design, Interactive UI Components
**Programming Languages:** Java (Basic)
**Database:** MySQL (Basic)
**Tools:** Git, GitHub, VS Code, IntelliJ IDEA
**Design & Soft Skills:** Figma, Poster and Banner Design, Visual Consistency, Problem-Solving, Teamwork, Communication, Creativity

## PROJECTS

**Music-Player- Ganna app clone** | HTML, CSS, JavaScript

- Designed a responsive Gaana-inspired music player interface with intuitive navigation and interactive controls using HTML, CSS, JavaScript

**Lucky Guess Game** | HTML, CSS, JavaScript

- Developed a browser-based number guessing game with JavaScript game logic, event handling, real-time feedback, and an attempt limit.

**Smart Rain Protection and Autonomous Home Response** | IoT, Python

- Worked on an IoT-based concept to detect rainfall and trigger protective actions using sensor integration and automation logic.

**Campus Nova — College Project (In Progress)** | Planned: React.js, JavaScript, CSS, Java Spring Boot, MySQL

- Planning a college platform for interest-based activities, task submissions, activity tracking, points, badges, and a college-wide leaderboard.

## LEADERSHIP & ACTIVITIES

**Design Team Lead — DDSC Club**

- Lead design activities for technical events, creating posters, banners, and promotional materials with consistent visual identity.
- Contribute to planning and organizing the Vibe-Coding Program and collaborate with team members on club activities.

## EDUCATION

**B.Tech in Computer Science and Engineering**
Shri Shivaji Institute of Engineering and Management Studies (SSIEMS), Parbhani
2023–2027 | Current CGPA: 7.38 | Third Year
**HSC (Science):** | Dnyanopasak College, Parbhani
(2021–2023) | Percentage: 56.17%
**SSC:** | Bal Vidya Mandir High School, Parbhani
(2020-2021) | Percentage: 92.20%

## INTERNSHIP EXPERIENCE

**Web Development Certification —** CCA-Techno Pvt. Ltd.

- Successfully completed a four-week training program in Web Development.

## TRAINING AND ACHIEVEMENTS

•IIT Bombay Campus Ambassador Program (2026) — Selected for the campus ambassador program.
•IoT with Python – IGTR (2026)— Attended a 3-day training on Python and IoT fundamentals.
•IBM SkillsBuild — Completed AI Fundamentals learning program
